Dear Fellow Democrat

**Subject: Leelanau County Democratic Party Membership**

As a member of the Leelanau County Democratic Party you will take an active role in making Leelanau County a stronger county for Democrats. Your involvement will help Leelanau County Democrats run successful elections, which enables us to push our Democratic Agenda.

With your help, we will be building a stronger Party here in the Leelanau County. Democrats have taken control of the U. S. Senate and House. Democrats have reelected Governor Granholm and Senator Stabenow. Democrats have taken back the State House and gained control of all four Education Boards. Now, with your help, Democrats will make further strides in the 2008 elections when we reelect Senator Levin, elect a Democratic President, elect Democrats to the U. S. and State Houses of Representatives and township and county offices!

Your support is critical to our efforts to prepare for the 2008 election season. The challenges we face to stand up for what we believe in are significant. **Won't you become a Leelanau County Democratic Party member today?** Below is a membership application for you to join the Leelanau County Democratic Party.

**Keep up the fight!**
